EXECUTIVE STEMWARE

*Shimmering cylinders on soaring stems . . . first with Sheer Rim**

SHEER RIM*

*Trademark of The Federal Glass Co.

FEDERAL'S EXCLUSIVE SHEER RIM*
has traditionally been a hallmark of hand-made glassware only. But now Federal has devised systems to produce a smooth, Sheer Rim on many of its automatically-produced glasses, eliminating a thick, bumper rim. This feature is identified by the trade-marked phrase, Sheer Rim.

Extended Foot Juice Tumbler

STURDEES

With Guaranteed
Non-Chip Protekto Edge

Breakage occurs most frequently during glassware's removal from the table and its return to the dishwasher. This and other breakage is substantially reduced when you use Sturdee Heat-Strengthened Tumblers, identified on the bottom by the letter "S" adjacent to the Federal Shield "F". Long life is guaranteed by a non-chip Protekto Edge.
